SECOND PRELIMINARY AMENDMENT

Sir:

Claim Amendments

Please amend claim 1 as follows:

1. (Currently amended) A space heater comprising:

a housing;

~~an opening~~ a window in the front of the housing;

a grill covering at least part of the ~~opening~~ window;

a reflector behind the grill;

at least one radiant heating element located between the reflector and the grill for transmitting radiant energy to a general area in front of the heater; and

a halogen light source separate from said at least one radiant heating element, said light source supported within the housing behind the grill and including a glass plate located
